

EMILY GIOVANARDI

EDUCATION

University of Colorado Boulder

Aug 2023 - Present (Y.O.G. 2027)

Architecture Student in the Environmental Design Program with a minor in German

Current GPA: 3.59

Honors & Distinctions: ENVD Dean's List Spring 2025, Merit Scholarship

Activities: Women's Club Soccer (National Champion)

Florence University of the Arts

Jan 2026 - May 2026

Semester Abroad

ACE Mentor Program - Boston

2021 - 2023

- Participated in ACE, a mentorship program where professionals teach high school students about the fields of Architecture, Construction, and Engineering
- Designed a sample student center for Northeastern and a sample disaster camp for Boston in the Boston Common with a team of my peers led by a practitioner

PROFESSIONAL EXPERIENCE

DCVL Design

Architectural Intern | Somerville, MA

May - June 2025

- Led the schematic design and design development process on two interior projects within the BU College of Fine Arts building.
- Contributed to project documentation, including elevation drawings, for the interior redesign of an MIT administrative suite.
- Participated in multiple project meetings with team members, including project managers, engineers, and furniture specialists.

Studio Bergeron

Landscape Architecture Assistant | Melrose, MA

May - July 2025

- Contributed to the documentation of many existing site conditions
- Collaborated with clients by working to understand their ideas for the site and suggesting potential designs.
- Worked hybridly, managing my own time and deadlines.

WORK Architects

Architectural Intern | Bolzano, Trentino-Alto Adige, Italy

June 2024

- Documented and digitized a past project of my grandfather's, the Banca d'Italia Bolzano, to allow for a future revitalization project.
- Strengthened my connection to family history while exploring another country and gaining multi-cultural architectural knowledge.

PCA

Architectural Intern | Cambridge, MA

July - August 2023

- Shadowed professionals across the firm to learn about different roles and observe projects at various construction stages
- Designed and presented a tiny home, incorporating feedback from mentors and peers.

Jay Bradley Architects

Architectural Intern | Melrose, MA

July - August 2022
